

SPONSORSHIP OPPORTUNITIES

FORE LIFE - 2ND ANNUAL ELDER PREVENTION GOLF CLASSIC

Every person should be given the opportunity to actively participate in our community and develop a healthy well-rounded life.

Some of the people that rely on the Council on Aging have no other means of getting help. Social inclusion and independence is critical, this is what we provide.

No one should be held back or limited because of age.

Help those who are victims of abuse and ensure that the issues affecting seniors are understood by politicians, community leaders, and the public. Funds raised during this tournament will go towards enhancing services provided by the Council on Aging.

Your participation in this tournament will make a difference to the people of our community.
